1:1 Laptop Program for Year 5 in 2020 - Timeline

Dear Year 4 Families

In 2019, Rainworth State School introduced a laptop program for two year 5 classes.

The classes are known as *1: 1 Laptop Program*. Our students use the latest in wireless technologies to integrate laptops as learning tools. All classes follow the same curriculum and complete the same assessment tasks.

An information session was held on Thursday 22 August 2019 for current Year 4 Parents.

Parents are invited to register their expression of interest for their child to participate in the program from Monday 2 September via “1:1 Technology Expression of Interest Year 5 Laptop Program for 2020”. EOI closes 3pm Thursday 12 September.

This expression of interest represents only the first stage of the process and, at this time, costs are only indicative.
