Shared Financial Responsibility Record
for School Payments

Some parents/caregivers share the financial responsibility of costs associated with their child/ren’s education. Our school has the ability to split invoices for all student fees, activities and excursions. We can identify each person who is responsible for school costs and record the percentage for which each person is liable. Therefore, if you share financial responsibility, each parent/caregiver will only be invoiced for the percentage they have agreed to contribute.

Please complete the form below if you wish to share financial responsibility between 2 parents/caregivers, indicating the percentage share (eg. 50% per parent).
