CHESS COACHING 2022

In 2022, our school will once again offer chess coaching to all students from Prep to Year 6.

Chess is a great game and will develop many skills, such as, strategy building, problem-solving, the art of being a good sport. It is a game you can continue to play at any age.

Our coaches are from Gardiner Chess who provide chess coaching classes in schools throughout the state. They are also the organisers of the Official Queensland Inter-School Chess tournaments.

Tournaments are run towards the end of terms 2,3 and 4 and are by invitation only. Separate paperwork will be forwarded to those students offered a place. The cost of the tournament is separate from the term coaching program.

Chess coaching will be on Tuesday and Thursday mornings from 8.00am - 8.45am in the library. We welcome beginners and advanced players alike. Chess coaching is a 7 week program, commencing in Week 2 and finishing in Week 8 of each term. This year will be in Terms 2, 3 and 4.

The cost for the 7 week program is dependent on the number who register. The cost covers the instructors. The approximate cost is generally around \$50.00 per term. Following confirmation of numbers, each participant will receive an invoice in week 2 of each term.

Once the student has commenced chess coaching for the term there will be no refund if that student chooses to withdraw, as the costs are based on full attendance for the term. Students who do not wish to continue in the following term, must advise me via email of this intention. If a student wishes to skip a term and re-register for the following term, then this is also possible and must be advised in writing via email.
