

Rainworth State School

Student Dress Code Policy 2024

Rainworth State School and Rainworth P&C Association endorses a student dress code policy because we believe it:

- Exemplifies students' pride in being part of the Rainworth State School Community,
- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school,
- Fosters mutual respect among students creating a healthy work ethic and student learning,
- Promotes a supportive environment at the school by fostering a sense of culture and belonging, and
- Creates a good ethos of the school within the community and encourages students to uphold and enhance that image.
